SAVE Act of 2009

Secure America through Verification and Enforcement Act

Representative Heath Shuler's (D-NC) Three-Part Plan to Stop Illegal Immigration
111 bipartisan cosponsors as of April 12, 2010

(Senator Mark Pryor (D-AR) has introduced a Senate version of the SAVE Act which
has 5 bipartisan cosponsors as of April 12, 2010)

Title I—Secure America's Borders

- Increase Border Patrol agents by 6,000, utilize new technology and infrastructure to secure the border, and expand anti-smuggling enforcement programs.
- Require the Defense Department to share aerial surveillance, satellite, and other equipment with the Department of Homeland Security (DHS) to secure the borders and SAVE taxpayer dollars.

Title II - End Unlawful Employment

- **Make use of E-Verify by all U.S. employers mandatory** for all employees.
- **Close the identity-theft loophole** in the E-Verify program by requiring the Social Security Administration to notify individuals whose Social Security numbers (SSNs) may have been stolen and are being used by multiple individuals. Provide information on how to report SSN theft and misuse and require that information on unresolved cases be shared with DHS.

Title III—Increase Interior Enforcement

- Increase the number of Immigration and Customs Enforcement (ICE) agents and make grants available to certain local law enforcement agencies to assist with immigration enforcement.
- Expedite the processing and removal of illegal aliens by expanding detention capacity and increasing the number of Immigration Judges.
