

[H.R. 1183](#) - Asylum Reform and Border Protection Act of 2023

[Rep. Mike Johnson \(R, LA-4\)](#)

[Cosponsors](#)

The Asylum Reform and Border Protection Act of 2023-

- Raises the credible fear standard;
- Reforms parole by explicitly barring categorical parole; and
- Restricts asylum to the original understanding by clarifying definitions of eligibility regarding generalized violence and particular social group.
